2. Assisted the Budget Division in the development of instructions for the preparation of forms required in connection with the budget review and set up a meeting with our administrative officers for Thursday A.M.

3. Discussed with O/RR the problem of making administrative arrangements for [REDACTED] in connection with his duties in [REDACTED] Although a final determination has not yet been made, it appears that to the extent some cover will be necessary, that State Department cover would be the most appropriate and, in turn, that cable and pouch facilities should be arranged through State Department facilities. Arrangements will also be worked out with Finance to provide a simple mechanism for payment of his salary, travel and other incidental expenses.
